Breakfast: Served 07.30 – 09.30 every morning.

Dinner: Regards choices for Dinner (served at 20.00); upon arrival you will be shown that evening's menu and asked to make your selections. The next morning, the menu for that evening will be on your table at Breakfast and you are requested to make your choices and hand in to the Clubhouse Staff before leaving to play golf.

Dress Code: You must get changed for dinner, it is unacceptable for you coming off the course and going straight to dinner in the same clothes. You cannot wear trainers in the restaurant.

Directions: Postcode above. I have been advised by the club that the road signs still refer to them as 'East Dorset Golf Club'. This may or may not have changed by the time we arrive so you have been warned.

Competition: We have 18 players and are playing the Ryder Cup format with a few tweaks. Two days of fourball betterball IGS Matchplay, last day singles IGS Matchplay. Teams selected by the Captains. Handicap adjustments will be applied at the end of the three days (but no winner or runner up cut). Wooden spoon as well (lowest combined singles score) and a singles competition based on your stableford scores. Fines = 25p/blob for all, £1 if no blobs on card; also: losing pair £1, losing single £1, drawn pair 50p, drawn single 50p, winners no fine (except for blobs). Not wearing your team badge on the course £1 (you will get your team badge at the course).

Buggies: These are not included in the price and should be booked directly with the pro shop in your name if you want one. I would recommend booking in advance. I'll put the draw on the website as well as in your letters. I have reserved a buggy for myself for all 3 days so call me if you want to share it with me.

Check In: Rooms are not available until 2.00pm so come ready to play golf. I'll deal with the check in when I arrive. Towels and bed linen are provided. In previous years the rooms may be available prior to play but this is not guaranteed.

Check Out: Rooms must be vacated by 10.00am. Room keys must be returned **prior** to play on the last day. I will have settled the IGS account before this so any extra payments are your responsibility.

Any questions call me or email me.

Regards
