

IGS Away Weekend Room List 2018

We have 4 lodges. Two with 3 twin rooms. And two with 2 twin rooms so 6,6,4,4. For those of you who have not been here before they are 5 star with fully fitted kitchens and living area including many extra luxuries. They also have saunas.

Do remember you must leave the place as you find it i.e. clean and tidy when you leave, otherwise you will be charged for any additional cleaning. If I am advised of any additional costs due I will refer the matter to the relevant occupants and also provide the resort with your contact details so they can pursue any monies owed if not settled on the day of leaving.

Quite a few of the chaps will be there the night before so I will speak to them before to get things organised; either way I'll be there early enough to sort stuff out.

You will all need to fill in a registration card for the hotel on arrival. You cannot play before this is done. Also complete the menu choice before you play. It will be floating around somewhere.
